

E-Mail ALPERSRU G/00

CANCELLED: 23 March 2001

Subj: DISCONTINUANCE OF SDAII CTOS TRANSMITTALS

Introduction	This E-mail ALPERSRU announces the discontinuance of processing transmittals prepared on SDAII CTOS.
Effective Date	Transmittals prepared using SDAII CTOS will not be accepted after 05 April 2000 (polling cutoff for 14 April payday).
Discussion	When migrating from SDAII CTOS to SDAII Standard Workstation III, PERSRU's were given time to allow for future dated documents to process (transmit) via SDAII CTOS. This was done to minimize duplication of work and the chance for duplicate transactions.
Action	<p>PERSRU's will:</p> <ul style="list-style-type: none">• Stop using CTOS SDA II to prepare transactions.• Ensure all SDAII CTOS transactions with effective dates of 05 April 2000 or earlier are transmitted to HRSIC by 2100 05 April 2000.• Recreate SDAII CTOS transactions in SDAII Standard Workstation III that did not successfully transmit to HRSIC or have an effective date later than 05 April 2000. <p>Note: Use SDAII's Completed and in-Process PMIS Transactions report (Fast Path ID "rptstat") to identify transactions.</p> <ul style="list-style-type: none">• Coordinate removal of surplus CTOS hardware with servicing ESU.
